**LIMITED PLACES**

Priority is given in order of inscription.

In 2008 Estefanía Suissa creates her own place in Seville. "El Estudio" situated in the center of the Macarena area.

A place to study but also to rehearse and create, open for flamenco dancers and to others artistic disciplines.

During the "Feria de Sevilla", Estefanía is organizing an intensive baile workshop from 23<sup>rd</sup> to 27<sup>th</sup> of April (from Monday to Friday included).

Every class (3h00) mixes technique and choreography with work of interpretation of the style being approached.

The inscriptions are limited to eight persons in order to privilege the individuality and to develop a personal teaching for each and everyone
